Key#: 924 **Date:** 4/17/2017 **Facility:** Conway Corp. Tupelo Bayou WWTP

From: Kyle Barber, ADEQ Water Enf. **NPDES #:** AR0051951

To: David Bradley, Conway Corp

The phone call was pertaining to a monitoring violation by Conway Corp. The permittee failed to conduct analysis for arsenic at the Tupelo Bayou WWTP, for the first quarter of 2017. Mr. Bradley confirmed that this was an oversight due to changes in the newly reissued permit and that the violation would not recur.
