Re: Tupelo Bayou "Technically Based Local Limits"

Dear Mr. Harrington:

This letter is submitted to ADEQ by Conway Corporation as notification for the permit requirement that states: Conway Corporation perform a "Technical Evaluation revising the current TBLLs will be submitted within 12 months of the effective date of the permit"

Conway Corporation is in the process of contracting this "Technical Evaluation revising the current TBLLs". This process will be complete within the 12 months of the effective date of the permit, which is June 30<sup>th</sup>, 2024.

Conway Corporation has always focused on maintaining the highest level of compliance and will continue to do so. Please feel free to contact us if any further information is needed.

Sincerely,

A handwritten signature in blue ink that reads "Trey Lieblong".

Trey Lieblong  
Environmental Coordinator
