Re: City of Fort Smith Pretreatment Modification: Streamlining Revision to Part 403
(Permit No. AR0021750, AFIN 66-00226)

Dear Mr. Easley:

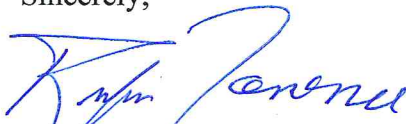

The City submitted a draft pretreatment ordinance in an attachment to an e-mail dated August 14, 2008. The Department reviewed the City's draft pretreatment ordinance. The Department sent proposed revisions to the ordinance in attachments to e-mails dated September 8, 2008 and May 5, 2009. The City must review the proposed revisions. If the City has no corrections or concerns, the City must adopt the ordinance.

The City must respond to this letter by August 22, 2011 by either (1) submitting a revised draft ordinance or (2) submitting a letter confirming that the City intends to adopt the proposed September 8, 2008 ordinance (amended on May 5, 2009).

The Department plans to conduct a pretreatment audit on the local program from October 17th to 21st this year. The goal is to have the ordinance ready for adoption before the audit commences. The Department appreciates the City's cooperation.

If you have any questions or concerns, please contact the Department at (501) 682-0626 or torrence@adeq.state.ar.us.

Sincerely,

Rufus Torrence,
ADEQ Engineer
