Brad,

Springdale's January 2013 Pretreatment Annual Report was received on 1/31/13, reviewed, deemed complete and compliant with the Federal Pretreatment reporting requirements in 40 CFR 403.12(i).

Side note: On the first page of the actual Pretreatment Performance Summary this office changed the number of categoricals to "6" and moved the footnote "(+ 4 Nondischarging)" up to that same line since they are Categoricals and renamed it "(w/4 zero discharge)". I initialed these changes. If there are any questions regarding these changes please feel free to contact this office.

Thank you for the detail you put into the annual report. There is no further action deemed necessary at this time.

Sincerely,

Allen Gilliam
