Re: NPDES Permit #AR0022381 Activity #1 Requirements

Dear Mr. Knight:

A review of the City's NPDES Permit Part III, Paragraph 8.b. Activity 1 submittal has been completed. Based on information from that industry survey, NPDES compliance history and other information, development of an approved Pretreatment Program by the City does not appear warranted at this time.

Heber Spring's NPDES Permit Part III, Paragraph 8.b, Activities 2 through 7.f. (milestone schedule for development of an approved Pretreatment Program) are hereby deleted from the Permit.

If there are any questions, please feel free to contact this office. This notification deleting specific permit requirements should be filed with your NPDES Permit for reference.

Sincerely,

Chuck Bennett
Chief, Water Division
