Re: City of Hot Springs Pretreatment Streamlining Modification
(Permit No. AR0033880 AFIN 26-00145 & AR0050148 AFIN 26-00444)

Dear Mr. Brunson:

The Department has reviewed the Hot Springs' program modification which you hand-delivered. The Department has only two required updates to the submitted modification.

- (1) In the Enforcement Response Plan, Section 8.A & B were updated by the Streamlining Revisions to 40 CFR 403. The City must update Section 8 to match the language in Article IV. Industrial Wastewater Pretreatment Code, Section 9-3-50 (a) & (b).
- (2) Correct the typo in title of Section 9.0 in the narrative: EVALUATION OF LEGAL AUTHORITY AND PROPOSED AUTHORITY FOR IMPLEMENTATION OF PRETREATMENT PROGRAM.

The City may email the Department PDF copies of the two corrected pages (2-sided pages).

All updates are due by **August 1, 2012**.

The Department appreciates the City's continued efforts in updating the modification. If you have any questions or concerns, please contact the Department at (501) 682-0626 or by email at torrence@adeq.state.ar.us.

Sincerely,

Rufus Torrence, Pretreatment Engineer
Water Division
