RE: Hazardous Waste Notification Requirement under the National Pretreatment Program

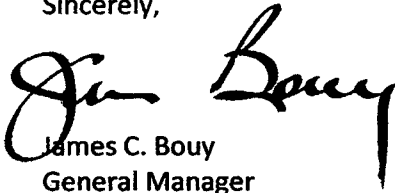

Gentlemen,

Thanks for your notification on the above reference.

We do not generate any hazardous waste materials referenced in your notification, specifically: Mercury from amalgam, silver from spent film processing wastes, or hazardous waste pharmaceuticals. We do not do any film processing whatsoever.

Please don't hesitate to contact me if there is anything else we need to do regarding this notification.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim Bouy". The signature is written in a cursive, flowing style.
