Re: City of Hope (NPDES Permit #AR0038466) Activity #1 Requirements

Dear Ms. Cook:

A review of the City's NPDES Permit Part III, Paragraph 9.B. Activity 1 (received – 12/27/07) submittal has been completed. Based on information from that industry survey, NPDES compliance history and other information, development of an approved Pretreatment Program by the City does not appear warranted at this time.

Provisions to develop an approvable Pretreatment Program (Permit Part III, paragraph 9.B - Activities 2 through 7 and paragraphs 9.C. through 9.F.) are hereby waived.

If there are any questions, please feel free to contact this office. This notification waiving specific permit requirements should be filed with your NPDES permit for reference.

Sincerely,

Steven L. Drown
Chief, Water Division
