I talked to Deputy Sharp and he went to the CR 118 address and got permission from the owner's to look on the property but saw no tires.

Thanks so much Angela. So I don't guess there ever was a dump on CR 774? I remember a little about this but not a lot. Anything you and/or Randy give me will be helpful.

Thanks again,  
Michelle

**Subject:** RE: Old complaint

There was a complaint about a tire dump in Bono that is a tire shop that was purchased by new owners. We went a year or two ago and talked to them. They had tires piled in and around trailers. Those were brought to the Craighead County Tire Collection Center. At one time we received a complaint about a tire dump in Bono and our Illegal Dump Control Officer went and never could find the tires so that site was cleaned up before he got there.

I am sending Deputy Randy Sharp a copy of this e-mail to see if or what he knows about the Rickey Millsap tire situation.

Hey Angela,

I'm trying to get some information on a complaint that is approximately 9 years old. It was on Rickey Millsap. The address we had initially was 7 CR 774 in Jonesboro. Apparently Mr. Millsap lives at 7 CR 774 and dumped tires at 1680 CR 118 in Bono. I guess my question is was there ever a tire dump on CR 774 and if there was, is it cleaned up? I also kind of need any information you might have on the tire dump in Bono. I have this site marked as cleaned up per your district but it's so old I can't remember anything about it and the inspector that worked the complaint is retired. What, if any information do you have on this?

Thanks,

Rickey Millsap  
7 CR 774  
Jonesboro, AR 72401

Dear Mr. Millsap:

On January 20, 2009, I performed an investigation on J.L. Baker's property located at 1680 CR 118, Bono, Arkansas. This investigation was in response to a complaint alleging the dumping of waste tires. My investigation revealed that you are in violation of the Arkansas Solid Waste Management Act, A.C.A. § 8-6-205, the Arkansas Solid Waste Management Act 237 of 1971 as amended, and Regulation 14. Specifically, I found the following violation(s):

1. Operation of an unpermitted solid waste disposal facility, which is in violation of §8-6-205 (a)(1)(2)(3)(4) and (5). The waste dumped at this site consists of waste tires. "No person shall dispose of solid waste at any disposal site or facility other than a disposal site or facility for which a permit has been issued by the Department".
2. The Property mentioned above is not a permitted waste tire processing facility or a permitted waste tire collection center. Please be advised that you are in violation of Act 749 of 1991, (c) (2), "It is unlawful for any person to dispose of used or waste tires or portions of used or waste tires in the state, unless such tires are disposed of for processing, or collected for processing at a permitted waste tire processing facility, at a tire collection center, or at a permitted solid waste disposal facility."

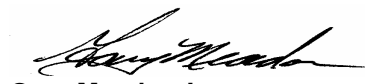

Regulation 14, Section 15 (Waste Tire Collector Requirements) states, "After July 1, 1992, any person engaged in collecting or transporting waste tires (25 or more tires) for the purpose of storage, disposal, or processing shall display a current decal with their waste tire collector registration number obtained from the Department."

By law, anyone who violates any provision of the Solid Waste Management Act may be subject to criminal, administrative and civil penalties up to \$10,000.

You should immediately cease the activity described above and undertake measures to correct the violation(s). You should notify me in writing at the address below or call (870) 424-3322 within 10 days of the date of this letter with a plan of action for correcting the violation.

Please be advised that failure to make contact with me in regard to this notification will warrant formal enforcement. Your cooperation is appreciated.

Sincerely,

Gary Meador, Inspector  
Solid Waste Division

## Tire Site

Mr. Vanderhoff, the dump site is located behind the resident at 1680 Craighead County Road 118, Bono, Ar. The site is approximately 150 yards behind the resident, down an ATV trail. I would guess the amount of tires to be around 500. There are tires of all types. The property the tires are on is owned by Mr. J.L. Baker. Mr. Baker resides on the property, and is very cooperative. I do not believe that Mr. Baker had anything to do with the placing of the tires. The tires were dumped there by Mr. Rickey Milsap. Mr. Milsap is the grandson of Mr. Baker. Mr. Milsap had a tire business that was located in Bono, and dumped the used tires at this site. Mr. Milsap had a business partner, Larry Jones. A number to reach Mr. Milsap is (870) 316-2254. I do not believe he has been contacted at this point. The GPS Coordinates are 15S 0697786, UTM 3971691. If your agency needs any other assistance I will be glad to help.
