Permit No. **ARG550253**, AFIN **35-00463**

Dear Permittee,

The Department has not received the required written request for continued coverage under the 2014 General Permit (ARG550000) for the above mentioned facility by the June 30, 2014 deadline as stated in the letter and Recertification NOI dated 12/20/2013. **Therefore, the permit coverage for this facility under the Individual Treatment Unit General Permit is expired.** If this facility is still in operation, the facility is operating **without required permit coverage** and is **currently in violation** of the Arkansas Water and Air Pollution Control Act (Ark. Code Ann. § 8-4-101 *et seq.*) and the Clean Water Act (33 U.S.C. § 1251 *et seq.*).

To be covered under the Individual Treatment Unit General Permit, the facility must immediately submit a complete Notice of Intent (NOI) and other documents and fees per Part 1.3 of the Individual Treatment Unit General Permit. The NOI can be found at the following link:
