RE: Individual Treatment Systems General Permit, Jennifer Hubanks, Cabot, AR (Permit Tracking No. **ARG550332 - AFIN 43-00603**)

Dear Ms. Hubanks:

Enclosed with this letter is the new Notice of Coverage (NOC) for Individual Treatment Systems General Permit with the existing tracking number ARG550332 that should be kept with the facility's records.

Please note that a Recertification Notice of Intent (RNOI) as required by 40 CFR Part 122.28 was not received by the Department on or prior to the expiration date of the previous permit, which expired on June 30, 2014. Your facility was notified by letter dated December 20, 2013, to submit an RNOI for coverage under the new Individual Treatment Systems General Permit on or before June 30, 2014. The new NOI was submitted on 12/2/2014. Therefore, the facility did not have coverage under the new Individual Treatment Systems General Permit from July 1, 2014 (effective date of the General Permit) to the date of this NOC. Please be advised that the failure to have permit coverage during this period is a violation of Ark. Code Ann. § 8-4-217(b)(1) and might be subject to enforcement action.

If you have any questions concerning this matter or need additional information, please feel free to contact the General Permits Section at (501) 682-0623.

Sincerely,

Mo Shafii
Assistant Chief, Water Division
