Section 4: Violations							
Solid Waste Management Act §8-6-205							
(a)(2) To construct, install, alter, modify, use or operate any solid waste processing or disposal facility or disposal site							
without a permit from the department							
(a)(3) To dispose of solid wastes at any disposal site or facility other than a disposal site or for which a permit has been issued by the department							
(a)(3) Individual's household disposal that creates a public or private nuisance or a hazard to health and/or violates a city ordinance or other law and/or involves the open dumping of garbage							
	(a)(4) To dump, deposit, throw, or in any manner leave or abandon any solid wastes upon property owned by another						
person without the written permission of the owner or upon public property							
(a)(5) To sort, collect, transport, process, or dispose of solid waste contrary to the rules, regulations or orders of the							
department, or create or likely to create a public nuisance or public health hazard or to cause or likely to cause water							
or air pollution (Ark. Water and Air Pollution Control Act §8-4-101 et seq) (a)(5)(b) A rebuttal presumption when one (1) or more items of solid waste bear the name to indicate that the person							
committed the unlawful act of disposal							
Waste Tire Regulations #14 §9, Prohibitions:							
Tires disposed unless part of a permitted processing/collection facility							
Caused or permitted the open burning of tires							
Air Pollution Control Code §8-4-310(a)(1)(2)(3)							
5)(a) No person shall cause or permit the open burning of refuse, garbage, trade wastes or other waste material, or shall conduct a salvage operation by open burning							
Litter Act §8-6-406							
Dispose of litter upon any public or private property or into any body of water							
Vehicle is not covered to prevent the contents from departing from vehicle							
Final Disposition
