Dear Mr. McDaniel:

On April 17, 2007, I performed an investigation of your property located on Highway 298 in Saline County. This investigation was in response to a complaint alleging illegal dumping. My investigation revealed that you are in violation of the Arkansas Solid Waste Management Act, A.C.A. § 8-6-205. Specifically, I found the following violation(s):

Operation of an unpermitted solid waste disposal facility, which is in violation of §8-6-205 (a)(1)(2)(3) and (5). The waste dumped at this site consists of furniture, appliances, carpet, and hospital equipment. **"No person shall dispose of solid waste at any disposal site or facility other than a disposal site or facility for which a permit has been issued by the Department".**

By law, anyone who violates any provision of the Solid Waste Management Act may be subject to criminal, administrative and civil penalties up to \$10,000.

You should immediately cease the activity described above and undertake measures to correct the violation. You should notify me in writing at the address below or call (501)682-0581 within **20 days** of the date of this letter with a plan of action for correcting the violation.
