RE: AFIN #: 6000623

Tracking #: 2243-AGP-050

Dear Mr. Hopper:

The Department of Environmental Quality (Department) has reviewed your facility's Notice of Intent (NOI) and we have made a determination that the information certified in the NOI fulfills the required criteria for general permitting as specified in the Arkansas Plan of Implementation for Air Pollution Control (Regulation 19), the Arkansas Pollution Control Code (Regulation 18), and other applicable regulations. The tracking number River City Oil Company, located at 1415 East 9th Street, Little Rock AR 72202, under the General Permit for Gasoline Bulk Plants is 2243-AGP-050. This permit and tracking number is your authority to construct, operate, and maintain the equipment and/or control apparatus as set forth in your NOI.

This confirmation letter shall be considered part of the permit. Please place this letter and the general permit at the facility.

Sincerely,

A handwritten signature in black ink, appearing to read "TRHEAUME", is written over a horizontal line.
