RE: NPDES Permit Number AR0001635, AFIN 60-00118
Deficient Discharge Monitoring Report

Dear Mr. Gasper:

The Department has conducted a file review of the above referenced facility and determined the Discharge Monitoring Report (DMR) for the Monitoring Period ending on September 30, 2011, Discharge Number TX1R is not on file. However, after further review, it appears that you may have submitted the 2011 data on a DMR for the 2010 calendar year. If this is correct, please make the appropriate corrections.

Please submit the corrected DMR, clearly marked as "Corrected Copy" with the changes highlighted. Submit two legible copies of the corrected DMR with an original signature and date on at least one copy. The corrected copies should be received by the Department by **April 20, 2012**.

Thank you for your attention to this matter. Should you have any questions, feel free to contact me at 501-682-0632 or you may e-mail me at bolenbaugh@adeq.state.ar.us

Sincerely,

Jason Bolenbaugh
