Subject: Connection to Little Rock Wastewater

Dear Mr. Gasper:

The Department is in receipt of the letter dated December 13, 2013 which confirms that Fiber Glass Systems, L.P. has completed the connection project to the City of Little Rock's Wastewater Treatment Plant. This connection was required by CAO LIS 13-097.

Thank you for your cooperation in this matter. At this time the Department has no questions concerning the project.

Thank You

Alan Anderson
