RE: NPDES Permit Number ARG160029, AFIN 47-00124  
**Missing Discharge Monitoring Reports**

Dear Mr. Carmichael:

We have reviewed the referenced file and have determined there are Discharge Monitoring Reports (DMRs) missing from our file. Enclosed is a list of the missing DMRs with parameter descriptions. Please review each DMR, in question, to verify the missing parameters are reported on the DMR.

If you have already sent the DMRs in question, sorry for the inconvenience, but please re-send a copy so we may place it on file and correct our records. Submit two legible copies of the DMR with an **original signature and date** by the current Cognizant Official on at least one copy. We recommend signing the DMR with a blue ink pen, so there will be no question that the signature is an original. If you have not sent the DMR in question, please do so immediately. Your response should reach the Department by **November 15, 2011**.

Thank you for your attention to this matter. Should you have any questions or concerns, feel free to call 501-682-0631 or e-mail [meints@adeq.state.ar.us](mailto:meints@adeq.state.ar.us).

Sincerely,
