

The following city has submitted an application for a permit for the operation of a sanitary landfill.

City of Blytheville

Site location - Forty (40) acres of Section 35 T-16-N, R-11-E, of Mississippi County, Arkansas located approximately 2½ miles NNE of Blytheville.

The site is owned and is to be operated by the City of Blytheville for the disposal of that city's municipal garbage until their solid waste disposal incinerator is constructed and placed in full operation.

The Commission on Pollution Control and Ecology hereby approves issuance of the above-noted permit, as recommended by the staff, for a six (6) month period, for "area 1" of the site. The Director of the Department is hereby authorized to grant an extension to the permit, upon receipt of satisfactorily amended plans, if the city desires to use the site for bulky waste disposal after the incinerator is operational.
