

The following county has submitted an application, including an incomplete set of engineering plans, for the construction and operation of a solid waste disposal facility.

Lafayette County (Sanitary Landfill)

Site Location - approximately eleven (11) acres in Section 10, T-16S, R-24W of Lafayette County, Arkansas immediately NNE of the city of Lewisville.

The site is owned and will be operated by Lafayette County for the disposal of solid wastes generated within the county including the municipalities.

Exemption - requirement for plans prepared by a registered professional engineer. If major operational problems become evident an engineer will be required to perform additional planning.

The Commission on Pollution Control and Ecology hereby approves issuance of the above noted permit pending receipt of additional detailed planning.
