

Each of the following has submitted an application for construction and/or operation of a solid waste disposal facility.

City of Booneville (Sanitary Landfill)

Site Location - Twenty (20) acres in Section 13, T-5N, R-28W in Logan County, Arkansas, approximately three miles south of Booneville.

The site is to be leased from the Arkansas Children's Colony by Logan County who will in turn sub-lease it to the city of Booneville. The city of Booneville will operate the site for the disposal of the solid waste generated in that city and the southern half of Logan County.

Recommendation - A qualified engineer supervise the necessary pre-operational improvements on the site before being placed into operation.

Clay County (Sanitary Landfill)

Site Location - Forty (40) acres in Section 14, T-20N, R-6E in Clay County, Arkansas, approximately four miles south of McDougal.

The site is owned by Clay County and will be operated by the county for the disposal of the solid waste generated in the county including the cities of the county.

Recommendation - A qualified engineer supervise the necessary pre-operational improvements on the site before being placed into operation.

Stone County (Sanitary Landfill)

Site Location - Thirty-two (32) acres in Section 24, T-15N, R-11W in Stone County, Arkansas, approximately three miles north of Mountain View.

The site is owned by John Tinkle and will be operated by same for the disposal of solid waste generated in Stone County including the city of Mountain View.

Recommendation - A qualified engineer supervise the necessary pre-operational improvement on the site before being placed into operation.

Independence County (Sanitary Landfill)

Site Location - Twenty (20) acres in Section 11, T-13N, R-5W in Independence County, Arkansas, approximately two miles north of Sulphur Rock.

Independence County (Sanitary Landfill) Continued

The site is to be leased from J. W. Rawlings and operated by Independence County for the disposal of solid waste generated in the county.

Requirement: A qualified engineer supervise the operation while completing plans for the entire site.

Mobile Waste Control, Inc. (Sanitary Landfill)

Site Location - Forty (40) acres in Section 14, T-6S, R-10W, in Jefferson County, Arkansas, approximately three miles west of Pine Bluff.

The site is owned by Mobile Waste Control, Inc. and will be operated by same for the disposal of solid waste generated in the city of Pine Bluff and Jefferson County.

Requirement - The operation of the sanitary landfill shall not commence until the Department has acknowledged receipt of a written report from a registered professional engineer that adequate clearing, drainage and road construction has been accomplished in order to implement proper disposal operations.

Crawford County (Sanitary Landfill)

Site Location - Forty (40) acres in Section 6, T-9N, R-31W in Crawford County, Arkansas, approximately two miles north of Van Buren.

The site is to be leased by Crawford County from Mrs. Fairy Watkins Brieder and operated by Crawford County for the disposal of solid waste generated in Van Buren, Alma and Crawford County.

The permit shall be held by the Director until additional engineering plans have been received and approved by the staff.

Recommendation - A qualified engineer supervise the necessary pre-operational improvements on the site before being placed into operation.
