POLLUTION CONTROL AND ECOLOGY

MINUTE ORDER NO. 76-11

LOCATION - SUBJECT: _____

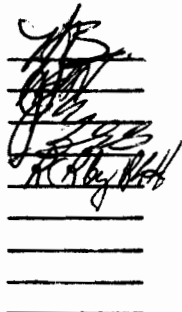

J. W. Black Co, Corning, Arkansas

PAGE 1 OF 1 PAGES

J. W. Black Lumber Company, Corning, Arkansas, is hereby granted a variance from the requirements of Section 4 of the Air Code for its incinerator, on the following terms and conditions:

1. Said variance shall terminate, unless extended, on May 28, 1976.
2. Said variance shall be considered for additional extensions of two-months each at each Commission meeting, for a total of six months, without additional applications.
3. Each such extension shall be supported by direct evidence that reasonable progress is being made toward resolution of the problem, by sale of waste materials previously incinerated to Georgia-Pacific Corporation, or by other acceptable methods.
4. Burning in said incinerator shall be conducted so as to minimize smoke density and dispersion of said smoke over the City of Corning.
