ARKANSAS DEPARTMENT OF POLLUTION CONTROL AND ECOLOGY

MINUTE ORDER NO. 76-24

LOCATION - SUBJECT: SOLID WASTE - PERMITS

PAGE 1 OF _____ PAGES

City of Hughes (Sanitary Landfill)

Site Location - Six (6) acres in Section 21, Township 4N, Range 6E, in Saint Francis County, Arkansas, adjoining the southwest corner of the city of Hughes.

The site is owned by the city of Hughes and is to be operated by same for the disposal of the solid waste generated in the city.

Recommendation - A qualified engineer supervise the necessary pre-operational improvements and the initial phases of operation.

Reynolds Metals (Sanitary Landfill)

Site Location - Eight (8) acres in Section 2, Township 2S, Range 14W, in Saline County, Arkansas, approximately 1½ miles southeast of Bryant.

The site is owned by Reynolds Metals and will be operated by same for the disposal of the solid wastes resulting from normal plant operations not to include any hazardous waste.

Hoot Land Reclamation #1 (Sanitary Landfill)

Site Location - Eighty (80) acres located in the east quarter of the southwest quarter of Section 18, Township 16S, Range 28W, in Miller County, Arkansas. The site is approximately eight miles south of Texarkana.

The site is owned by Gifford Hill Company and is to be leased by Western Refuse of Texas for the disposal of solid waste generated in and around the Texarkana metropolitan area.

The permit is to be held by the Director until certain information contained in the plan and specified by the staff is clarified and approved.

Requirement - A registered professional engineer supervise the pre-operational work and placement of the clay liner as depicted in the engineering plans.
