

Garland Coal and Mining Company of Fort Smith, Arkansas, has requested a reduction of \$87,500.00 in Surety Bond. This reduction represents the successful reclamation of 175 acres under three separate permits.

Permit number 19 as amended for 72 acres, permit number 71 for 76 acres, and permit number 72 as amended for 27 acres, all above acreage is located in sections 25, 26, and 35, township 8 north, range 28 west, Franklin County Arkansas.

On November 19, 1976, a field trip was conducted by the Mined Land Review Committee and the Department of Pollution Control and Ecology representative. On the basis of this company's effort it is recommended that the Commission honor this operator's request.

Based upon the above and the attached recommendations, the Commission hereby approves this operator's request.
