

The Wastewater Operator Licensing Committee recommends the following change in Regulation No. 3, as ammended, entitled "A Regulation Governing the Licensing of Operators of Wastewater Treatment Plants and the Classification of Wastewater Treatment Plants and Otherwise to Implement Act 211 of 1971 (Ark. Stats., Sec. 82-1983 et seq.)." to offer a Class IV written examination to wastewater treatment operators that meet the following eligibility requirements.

- a. The applicant must hold a Class III-Unlimited license
- b. The applicant must have five years of actual work experience
- c. The applicant must have two years in a position of direct responsible charge while licensed as a Grade III.

Therefore, the staff requests authority to conduct a public hearing to consider the above recommended amendment to the regulation.
