

ARKANSAS DEPARTMENT OF
POLLUTION CONTROL AND ECOLOGY

LOCATION - SUBJECT: Federal

MINUTE ORDER NO. 77-43

Grant Applications
PAGE 1 OF 1 PAGES

The Department is hereby authorized to include within its FY-78 Federal Grant applications, or amendments thereto, provisions for the acquisition of contractual services of a qualified toxicologist.

Said services, which are to provide for authoritative review of toxicity data received by the Department as part of its permit and enforcement procedures, are approved subject to the following conditions:

1. The terms of the contract shall not exceed \$16,000.00 per year and shall be in conformance with all governing laws, rules and regulations of the State of Arkansas.
2. The Department finds that such services cannot be reasonably provided by agencies of the State and Federal governments; and
3. No contract shall be issued under the terms of this Order without the approval of the Commission on Pollution Control and Ecology.
