

Garland County (Sanitary Landfill), Hot Springs

Engineer - B & F Engineering, Inc., Hot Springs

Site Location - Twenty-two (22) acres in the North Half of the Southeast Quarter of the Northwest Quarter of Section 22, Township 3 South, Range 18 West in Garland County within the Garland County Industrial Park located east of Hot Springs on Highway 270.

Operation - The site is partly leased and partly owned by Garland County, and will be operated by same for the disposal of solid waste generated within the county.

Comment - The county landfill operation has replaced the private operation at the site which was ordered closed due to a long history of improper operation.

Provisions - The operation shall be limited to the area designated as Phase I of the operations plan and shall be conducted under the general supervision of a registered professional engineer to ensure that the operation progresses in accordance with the application and operations plan.

The permit shall be limited to twelve (12) months duration subject to renewal by the Director upon receipt of such request and his satisfaction that the operation can be continued satisfactorily.

North Little Rock, City of (Bulky Waste Landfill), North Little Rock

Engineer - Charles E. Miller, P.E., North Little Rock

Site Location - Approximately one (1) acre in the Northeast Quarter of Section 33, Township 2 North, Range 12 West in North Little Rock in Pulaski County.

Operation - The site is owned by Radio Station KSOH and is leased and operated by the city of North Little Rock for disposal of brush, demolition and other bulky wastes.

Comment - This site will provide for proper disposal of bulky wastes that were previously being disposed of at a private landfill resulting in lower disposal costs and savings of fuel.

The Commission on Pollution Control and Ecology hereby approves issuance of solid waste disposal permits to the above noted applicants with the above provisions.
