

ARKANSAS DEPARTMENT OF  
POLLUTION CONTROL AND ECOLOGY

LOCATION - SUBJECT: SOLID WASTE

MANAGEMENT DIVISION

MINUTE ORDER NUMBER 79-28

PAGE 1 OF 1 PAGES

The Commission on Pollution Control and Ecology, having considered the following applications for permit submitted by the following respective firms and having received the staff recommendations and reports attached thereto, does hereby approve said applications, subject to the conditions contained with the application and reports or amendments, thereto, and the requirements of the Solid Waste Management Act and the Solid Waste Disposal Code; provided, that each applicant is hereby ordered and directed to comply with all general terms of the permit, the Act and the Code, and all specific terms and conditions to the permit, if any, which are so specified:

Nekoosa Papers, Inc.

Name of Facility - Nekoosa Papers, Inc. Landfill

Conditions - A Registered Professional Engineer shall report the proper preparation of the site to the Department before the facility is approved for operation. This permit is issued subject to the permittee demonstrating to the Department, through the submittal of proper reports, that the material to be disposed does not fall under the hazardous waste classification as listed at 40 CFR 250.13 (as proposed in the Federal Register on December 18, 1978. This permit will be modified as necessary to comply with regulations promulgated pursuant to provisions of the Federal Resource Conservation and Recovery Act and the Arkansas Hazardous Waste Management Act (406 of 1979).

The Commission on Pollution Control and Ecology hereby approves issuance of the Solid Waste Disposal Permit to the above noted applicant with the above conditions.
