

The Highway 270 West sewer improvement district commission has, by resolution attached, informed this Department and EPA that they do not intend to apply for a Step II grant and do not intend to proceed with the proposed improvements.

Based on this action the Commission on Pollution Control and Ecology, without waiving such other actions as may be appropriate in the premises, including requiring said district to construct the planned improvements, hereby reimposes the building ban and all other provisions of the Commission Order dated March 27, 1970 and as amended on December 15, 1972, January 9, 1973, May 17, 1974 and December 14, 1978 until such time as a contract has been let for construction of the proposed improvements.

Gentlemen:

Please accept this as notice of my resignation as a member of the Hiway 270 West Sewer Improvement Commission effective May 10, 1979.

The pressures by the property owners in the said district are more than I wish to bear at the present time.

Sincerely,

Gene Weston
