MINUTE ORDER NO. 79-39

PAGE 1 of 1 PAGES

Gifford-Hill & Company, Inc. of Shreveport, Louisiana has requested a reduction in surety bond for 37 acres covered by Permit #159. This land is located in section 34, T16S, R28W of Miller County.

A field trip was made to this acreage to confirm that no mining had taken place. Because of this confirmation The Department of Pollution Control and Ecology and The Mined Land Review Committee are in unanimous agreement that this operator's request for release of surety bond should be granted.

Based upon the above information the Commission hereby approves the operator's request.
