

Farrell-Cooper Mining Company of Ft. Smith, Arkansas has requested a reduction in surety bond for 10 acres covered by permit #75. This reclaimed land is located in a portion of the SE, NE, SW, Section 18, Township 6N, Range 32W, in Sebastian County, Arkansas.

On September 10, 1979, a field trip was conducted for on-site inspection. It was determined that the reclamation and revegetative cover was acceptable under Act 236, The Arkansas State Law. In view of this operator's efforts and results, The Mined Land Review Committee and The Department recommend that The Commission honor this operator's request.

Based upon the above and the attached information The Commission hereby approves this operator's request.

SURFACE MINING AND RECLAMATION SECTION

MEMORANDUM

TO: Mined Land Review Committee

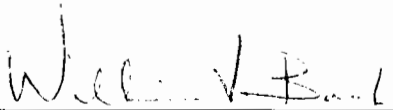

FROM: Milton J. Bonner, Department of Pollution Control & Ecology

DATE: September 11, 1979

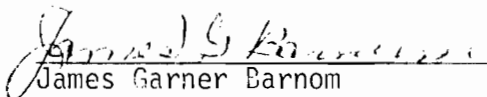

SUBJECT: REQUEST FROM FARRELL-COOPER MINING FOR REDUCTION OF SURETY BOND COVERING PERMIT NO. 75 FOR 10 ACRES.

A field trip was conducted on September 10, 1979 for the purpose of inspection on this 10 acre permit #75. The inspection disclosed that this operator had met the requirements of Act 236, Arkansas State law on reclamation and re-vegetation of property.

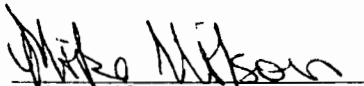

It is hereby requested on behalf of the Mined Land Review Committee and the Department that this operator's request for reduction of surety bond be approved.
