

Carl Holland and Sons Coal Company of Lamar, Arkansas has requested a reduction in surety bond for one (1) acre covered by permit #96. This reclaimed land is located in a portion of the NW, SE, Section 21, Township 10N, Range 23W, of Johnson County, Arkansas and is known as The Ravine No. 1 Mine.

On September 10, 1979, a field trip was conducted for an on-site inspection. It was determined that the reclamation and revegetative cover was acceptable under Act 236, The Arkansas State Law. In view of this small operator's efforts and results, The Mined Land Review Committee and the staff of The Department recommend that The Commission honor this operator's request.

Based upon the above and the attached information The Commission hereby approves the operator's request.

SURFACE MINING AND RECLAMATION SECTION

MEMORANDUM

TO: Mined Land Review Committee
FROM: Milton Bonner, Department of Pollution Control & Ecology
DATE: September 11, 1979
SUBJECT: CARL HOLLAND AND SONS COAL COMPANY HAS REQUESTED RELEASE OF SURETY BOND FOR 1 ACRE COVERED BY PERMIT #96

A field trip was conducted on September 10, 1979 for the purpose of inspection on this 1 acre permit #96. This inspection showed that this operator had met the requirements of Act 236. In view of this operator's efforts and results, the Mined Land Review Committee and the Department recommend that the Commission honor this operator's request.
