

Wheeler Brick Company has requested a release of surety bond for 10 acres of reclaimed land covered by Permit Number 80 in section 13, township 14N, range 2E in Craighead County, Arkansas.

The Department and the Mined Land Review Committee have inspected the permitted area and have unanimously concluded that Wheeler Brick Company has reclaimed this permitted area according to the reclamation requirements of Act 236 of 1971 and release of surety bond is recommended.

Based upon the above and attached information, the Commission hereby approves the operator's request.
