

In order to facilitate the involvement of the public in enforcement activities relating to the administration of the State's Hazardous Waste program, it is hereby declared to be the policy of the Department of Pollution Control and Ecology:

- (1) to investigate and provide written responses to all citizens complaints submitted to the Department pursuant to the procedures specified in 40 CFR 123.128 (g)(2)(iv);
- (2) not oppose intervention by any citizen where permissive intervention may be authorized by statute, rule or regulation; and
- (3) to publish and provide at least 30 days for public comment on any proposed settlement of a State enforcement action, except where such delay would be detrimental to settlement of any matter constituting imminent hazard to the environment or the public health.
