

ARKANSAS DEPARTMENT OF POLLUTION CONTROL AND ECOLOGY

MINING AND RECLAMATION DIVISION

MEMORANDUM

TO: Floyd G. Durham, Chief, Mining and Reclamation
FROM: Milton J. Bonner, Reclamation Geologist
DATE: June 18, 1981
SUBJECT: Request by Mr. Manuel Horne, principal, for reduction of surety in the sum of \$2,000 on permit #14-79-225, covering 1.99 acres, on the basis as having never been disturbed.

Mr. Manuel Horne has requested a reduction of surety on the above permit on the basis that the permitted area was not disturbed by mining practices.

A field trip was conducted on the above date by the Department and the Mined Land Review Committee, and it was determined that there had been no disturbance to the pre-law spoil area that the permit area covered. It is recommended that the operator's request for reduction of surety be approved. The surety, in the amount of \$2,000, is an escrow account with the First National Bank of Paris, Arkansas.
