

The Commission grants permission to the staff to issue a public notice and hold a public hearing pertaining to the State/EPA Agreement. The date will be established by staff and EPA but should be announced by early August for a mid-September hearing.

The Commission also grants permission to hold a public hearing on the same date to hear comments on a proposed amendment to the existing Regulation 2 (Water Quality Standards) to classify as intermittent, ephemeral or man made ditches, those streams receiving or proposed to receive, waste from the municipalities of Dumas, Gravette, McGehee, Lake Village and Wilmar.
