MINUTE ORDER NO. 82-8

Ft. Smith, AR
PAGE 1 of 2 PAGES

General Coal Corporation has requested a reduction of surety for 1.8 acres covered by permit no. 181.

A field trip was conducted on January 5, 1982, to determine the reclamation status. Upon completion of said inspection, it was agreed the operator has met the requirements of Act 336 of 1977.

Therefore, it is recommended that the operator's request be approved.

ARKANSAS DEPARTMENT OF POLLUTION CONTROL AND ECOLOGY
SURFACE MINING AND RECLAMATION DIVISION

MEMORANDUM

TO: Mr. Floyd G. Durham, Chief
FROM: Mined Land Review Committee
DATE: January 5, 1982
SUBJECT: Request by General Coal Corporation for reduction of surety on permit #181 covering 1.8 acres as mined and now fully reclaimed.

A field trip by the Mined Land Review Committee was made this date for evaluation of status and compliance.

On completion of inspection and discussion, it was agreed that this operator's efforts for reclamation are acceptable.

Based on the above observation, the Mined Land Review Committee recommends that this operator's request be granted. Total surety for this permit is \$1,500.00.
