ARKANSAS DEPARTMENT OF POLLUTION CONTROL AND ECOLOGY

SURFACE MINING AND RECLAMATION DIVISION

MEMORANDUM

TO: Mr. Floyd Durham, Chief

FROM: The Mined Land Review Committee Members

DATE: July 1, 1982

SUBJECT: Crown Construction Co., Inc. has requested the reduction of total remaining surety for their permitted operations consisting of permits #76A-1, #76A-2 and #76A-3 located in Johnson County Arkansas as now fully mined and reclaimed.

A field trip was made this date by the Mined Land Review Committee members to determine the final status of reclamation and revegetative effort.

Following this inspection and conference, it was agreed by all members that this operator's efforts have produced acceptable results.

On the basis of this inspection, it is recommended by the Mined Land Review Committee members that this operator's request be granted for total reduction of all remaining surety covering the above listed coal mining permits.
