

ARKANSAS DEPARTMENT OF POLLUTION CONTROL AND ECOLOGY
SURFACE MINING AND RECLAMATION DIVISION

MEMORANDUM

TO: Mr. Floyd G. Durham, Chief

FROM: The Mined Land Review Committee Members

DATE: January 13, 1983

SUBJECT: Mr. Jack McClure of Mountain Coal Corporation has requested reduction of surety on permit #P320-M-Co. consisting of two (2) acres. This permit is now reclaimed to new surface and awaiting on revegetative growth.

A field trip for inspection was made by the Mined Land Review Committee members on this date for determination of compliance. Following the inspection, it was agreed by this committee that this permittee's request is acceptable for 60 percent reduction of surety due to lack of revegetative effort.

On the basis of the above, it is recommended that this permittee's request be granted for 60 percent of surety reduction from the total posted surety.

MEMORANDUM

TO: Mr. Floyd G. Durham, Chief
FROM: The Mined Land Review Committee Members
DATE: January 13, 1983

SUBJECT: General Fuel has requested the final 15 percent of surety reduction on the basis of approval for the pine tree revegetative effort that is now present on the affected area of this permit #P252-M-Co. consisting of 12.5 acres.

A field trip was made on this date for inspection by the Mined Land Review Committee members for determination of compliance. It was determined following the inspection that this operator's effort for revegetative cover is acceptable.

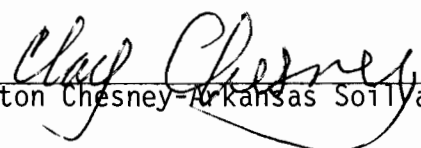

On the basis of this inspection, it is recommended that this permittee's request be granted for the remaining 15 percent of surety posted.
