

MINUTE ORDER NO. 83-20

PAGE 1 OF 1

The Commission hereby approves the permit application submitted by the following firm, subject to the provisions of the Solid Waste Management Act, the Solid Waste Management Code, and the permit terms and conditions.

Riviana Foods, Inc. - Carlisle

Riviana Foods Ash Disposal Sanitary Landfill

Additional Conditions: (a) This permit shall expire when the approximate 4 acre disposal area described in the final engineering plans has been filled to design capacity. (b) Proper preparation of the site shall be supervised and reported in writing to the Department by a Registered Professional Engineer prior to placement of any waste in the landfill. (c) This facility shall receive rice hull ash from Riviana Foods, Inc. only. (d) The 4 acre site shall be clearly fenced and separated from the existing salvage yard operation. (e) This Department shall be notified in writing prior to each waste disposal operation. (f) Final cover (30 inches) shall be applied after each waste disposal operation. (g) This permit shall not be effective and no waste shall be received at this facility until applicant has received written approval from the Department upon submission by applicant of a recorded or other instrument conveying the right lease to the real property, properly executed, in favor of applicant and expressly authorizing its use as a sanitary landfill. Failure to submit such an instrument written thirty (30) days of the date hereof will render this permit void.
