

MINUTE ORDER NO. 83-47

Bond Reduction  
PAGE 1 OF 2

B & D Construction Company - Franklin County, Arkansas

B & D Construction Company has requested reduction of surety on Permit No. 97, for 10 acres.

Based upon an inspection by the Mined Land Review Committee, it was determined that the operator's efforts were acceptable and the request for reduction of the remaining 40% of surety should be honored.

ARKANSAS DEPARTMENT OF POLLUTION CONTROL AND ECOLOGY

SURFACE MINING AND RECLAMATION DIVISION

MEMORANDUM

TO: Floyd G. Durham, Chief

FROM: Mined Land Review Committee

DATE: September 8, 1983

SUBJECT: Request by B&D Construction Company for reduction of surety on Powers #1, permit #97, for 10 acres as completely reclaimed.

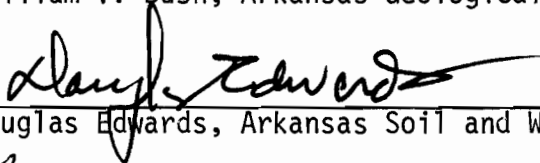

An inspection was conducted by the Mined Land Review Committee on the above date in order to determine if the operator's reclamation efforts satisfied the requirements of Act 236.

On conclusion of the inspection and after all considerations were made, it was determined by the Mined Land Review Committee that the operator's efforts were acceptable.

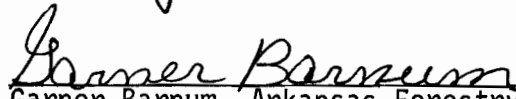

On the basis of this inspection, the Mined Land Review Committee recommends that the permittee's request for a reduction of the remaining 40% of surety be honored.

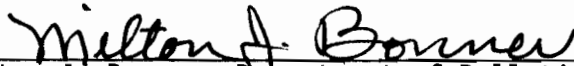

William V. Bush, Arkansas Geological Commission
