

MINUTE ORDER NO. 83-54

SOLID WASTE SECTION  
PAGE 1 OF 2

The Commission hereby approves the permit applications submitted by the following firms, subject to the provisions of the Solid Waste Management Act, the Solid Waste Management Code, and the permit terms and conditions.

Nekoosa Papers, Inc. - Ashdown

Nekoosa Sludge Landfill #2

Additional Conditions: (a) This permit shall expire when the approximate 46 acre disposal area described in the final engineering plans has been filled to design capacity and is closed out in accordance with the provisions of The Arkansas Solid Waste Disposal Code. (b) Proper preparation of the site shall be supervised and reported in writing to the Department by a Registered Professional Engineer prior to placement of any waste in the landfill. (c) This facility is to receive waste sludge from Nekoosa Papers, Inc. Pulp Mill operations only. (d) Waste shall be placed into the facility as outlined in the submitted plans without daily cover. However, no waste shall remain exposed for longer than 1 year without 30" of final cover. The variance for daily cover is subject to periodic Department review and re-authorization.

City of Casa - Casa

Casa Sanitary Landfill

Additional Conditions: (a) This permit shall expire when the approximate 3 acre disposal area described in the final engineering plans has been filled to design capacity and is closed out in accordance with the provisions of The Arkansas Solid Waste Disposal Code. (b) Proper preparation of the site shall be supervised and reported in writing to the Department by a Registered Professional Engineer prior to placement of any waste in the landfill. (c) This facility is to be utilized only by the city of Casa and shall be open no more than 2 days a week with an attendant on duty at all times during days of operation. (d) This permit is effective only after a legal title for the property described in the landfill operation is obtained by the city of Casa.

MINUTE ORDER NO. 83-

SOLID WASTE SECTION  
PAGE 2 OF 2

City of Marmaduke - Marmaduke

Marmaduke Landfill

Additional Conditions: (a) This permit shall expire when the approximate 5 acre disposal area described in the final engineering plans has been filled to design capacity and is closed out in accordance with the provisions of The Arkansas Solid Waste Disposal Code. (b) Proper preparation of the site shall be supervised and reported in writing to the Department by a Registered Professional Engineer prior to placement of any waste in the landfill. (c) This facility is to receive municipal waste from the city of Marmaduke only. (d) Adequate crawler-dozer type equipment shall be utilized on site during all waste disposal related operations. (e) Establishment of on-site monitoring wells and the requirements for monitoring shall be specified by the Department, if deemed necessary. (f) Any sandy loam material encountered in pit walls shall be lined with 2 feet of clay material prior to waste disposal.
