MEMORANDUM

TO: Mr. Floyd G. Durham, Chief

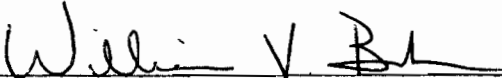

FROM: The Mined Land Review Committee Members

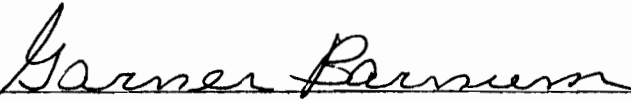

DATE: November 10, 1982

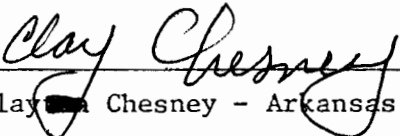

SUBJECT: Mrs. Robbie Black is owner of property mined by Westco Coal Company under State permit #112 for 10 acres. Westco turned the surety of \$5,000.00 back to Mrs. Black to do reclamation and revegetation of her own land. She has now requested reduction of surety to her on acceptance by the Department.

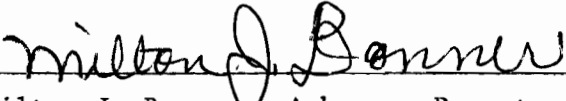

A field trip for inspection and confirmation of this reclamation and revegetation for this request was made on this date by the Mined Land Review Committee members. Following the inspection, it was agreed by the committee that this owner's (surface and mineral rights) request was acceptable.

On the basis of this inspection, it is recommended that this surety request of \$5,000.00 be granted.
