MEMORANDUM

TO: Mined Land Review Committee
FROM: Hank Wright
DATE: January 7, 1987
SUBJECT: Request by American Cyanamid Company
for release of surety bond

American Cyanamid has completed the reclamation on permit number 229. A request has been made to release this one acre as reclaimed. There were an additional four acres of reclamation done in this project.

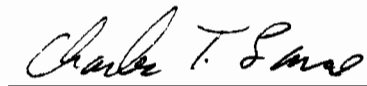

The Mined Land Review Committee and staff of Arkansas Department of Pollution Control and Ecology have inspected this area and are in unanimous agreement that American Cyanamid has met the reclamation requirements of Act 336. Therefore release of this one acre and permit is recommended.
