

American Cyanamid Company has requested the release of the 30 acres under permit #301 located in Saline County.

After a field trip to the locality and based on the attached information, the Mined Land Review Committee and the Department's staff recommend that the Commission release the total 30 acres as reclaimed. The amount of surety bond that is to be released is \$45,000. The permit will be cancelled since no additional mining will occur.
