

MINUTE ORDER NO. 90-12

Custom Insulation, Inc., (Custom) has filed a Request for Review of Administrative Order, including stay, of the Order of the Director dated May 21, 1990, which found Custom to be in violation of state law regarding asbestos removal. A hearing was held in this matter on April 17, 1990, before the administrative law judge, Honorable Lawson Cloninger. After the hearing, Judge Cloninger issued a Decision Recommendation to the Director finding Custom to be in violation of state law and assessing penalties against Custom in the amount of \$11,300. After a review of the administrative record, including transcript, and upon hearing arguments of counsel, the Commission finds that the Order of the Director dated May 21, 1990, is affirmed.
