

MINUTE ORDER NO. 90-33

opposition to the proposed fee increase  
for Section 404 and Section 10 permits  
PAGE 1 OF 1

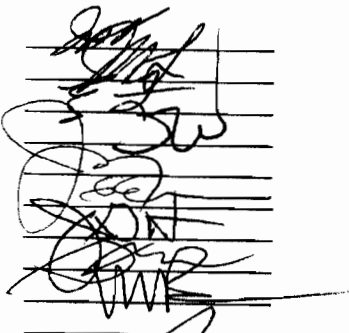

RESOLUTION

WHEREAS, the proposed fee increase for Section 404 and Section 10 permits will have a significant adverse impact on the recommendations in the Arkansas Water Plan which effect the development of surface water; and

WHEREAS, the proposed fee will place an undue burden on individuals, municipalities, agencies, and others seeking permit; and

THEREFORE, be it resolved that the Arkansas Department of Pollution Control and Ecology hereby goes on record in opposition to the proposed increase in fees by the Corps of Engineers.
