AFFIRMATION OF ORDER OF DIRECTOR

MINUTE ORDER NO. 91-23

PAGE 1 OF 1

All-American Contractors, Inc. (All-American) has filed a request for review of an Order of the Director issued April 15, 1991 which found All-American to be in violation of state law regarding asbestos removal. A hearing was held in this matter on March 12, 1991 before the administrative law judge, the Honorable Judge Cloninger. After the hearing, Judge Cloninger issued a Decision Recommendation to the Director finding All-American to be in violation of state law and assessing civil penalties against All-American in the amount of \$4,000. After a review of the administrative record, including transcript, and upon hearing arguments of ADPC&E and All-American, the Commission finds that the Order of the Director dated April 15, 1991 is affirmed.
