Moratorium on Permits for
Medical Waste Incinerators

MINUTE ORDER NO. 91-25

PAGE 1 OF 1

RESOLUTION

WHEREAS, the Commission has been apprised of the number of permits for high-volume medical waste incinerators which have been issued; and

WHEREAS, an appeal of one of these permits is currently pending in the administrative process; and

WHEREAS, this pending hearing will result in a thorough review of the sufficiency of the permit conditions required by the Department for high-volume medical waste incinerators, now

THEREFORE, the Commission hereby resolves and expresses its support for the Director's moratorium on the issuance of any further permits for high-volume commercial medical waste incinerators until after the Commission has had the opportunity to review one such permit following a full adjudicatory hearing.
