

ARKANSAS DEPARTMENT OF  
POLLUTION CONTROL & ECOLOGY

LOCATION-SUBJECT: Revised Regulation #22, to adopt criteria for the disposal of incinerator ash in landfills permitted under the Arkansas Solid Waste Management Code.

MINUTE ORDER NO. 92-38

Request for Approval

Page 1 of 1

WHEREAS, the Arkansas General Assembly of 1991 authorized the Arkansas Commission on Pollution Control and Ecology to adopt criteria for the disposal of incinerator ash in landfills that are permitted under the Arkansas Solid Waste Management Code, Arkansas Code Annotated §§8-4-202(a).

WHEREAS, Act 48 of the 1992 Arkansas General Assembly amends Arkansas Code §8-6-1202 to reduce the input capacity exception for incinerator ash from fifty tons or less per day to twelve tons or less per day

THEREFORE, the Commission hereby approves the attached revision to Regulation #22, Regulation for the disposal of incinerator ash in landfills permitted under the Arkansas Solid Waste Management Act.
