

ARKANSAS DEPARTMENT OF
POLLUTION CONTROL & ECOLOGY

LOCATION-SUBJECT: Regulation #14
Regulations and Administrative Procedures,
Waste Tire Program

MINUTE ORDER NO. 92-42

Request for Promulgation Page 1 of 1

WHEREAS, A.C.A. §8-9-401 requires that the Arkansas Department of Pollution Control and Ecology set and implement standards to be followed in the hauling, storage, processing and disposal of waste tires.

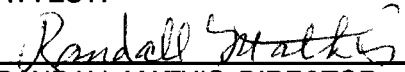

WHEREAS, A.C.A. §8-9-404 requires the Department to establish a program to make grants to Regional Solid Waste Management Boards which desire to protect the state's environment by the abatement of waste tires and the processing and disposal of waste tires.

THEREFORE, the Commission hereby approves and recommends for promulgation the regulations and administrative procedures for the Waste Tire Program, Regulation #14.

BY ORDER OF THE COMMISSION ON
POLLUTION CONTROL AND ECOLOGY
